October Events Recap

October was a busy month for East Sunnyslope! We couldn't have done it without our core volunteers who continue to show up to setup and clean up at meetings and events, inform our members, purchase needed items, plan for speakers and much more!

Getting Arizona Involved in Neighborhoods (GAIN) Kick-Off was October 5th at Christown Spectrum Mall and there were many partner organizations and agencies such as the Block Watch Advisory Board and Phoenix PD ready to help registered Block Watches prepare for GAIN Day on October 17th. Thanks to our friends in Ocotillo Hills, the HUB, West Sunnyslope and other Sunnyslope groups, our Sunnyslope GAIN was a fun time for all even with windy weather!

Finally, Light the Night on October 31st was a rainy but spirited Halloween as you can see in the photos above 🎃
